

Cable Grip Singe With Loop

Product information

Our cable stockings are the perfect solution for pulling telecom and power cables quickly and efficiently. Thanks to their innovative design and special construction, our cable stockings guarantee protection against breakage during machine pulling of cables. Fully compliant with national and European standards, our products are key to trouble-free cable routing while ensuring total safety during the work. The cable sheaths in our range are made from the highest quality materials, meeting the highest industry standards.
