

Triangle link for webbing KB type 1

Product information

The Triangle Link for Webbing KB Type 1 is a robust male component designed for use in textile slings. It is intended for sling terminations, providing a stable and secure termination. Made from durable materials, the D-ring is load-resistant and offers reliability in demanding work conditions. This product is ideal for industrial and construction lifting applications, meeting high standards of quality and safety.

Marking: According to standard

Finish: Galvanized

Standard: EN 1677

Safety factor: 6:1
