

Safety Post ROCKY

Product information

Rocky is an extra-strong safety post from the HARD-FLEXX® series, designed to protect areas particularly vulnerable to vehicle collisions and impacts. Made of damage-resistant materials, it effectively protects infrastructure in dynamic industrial environments. Available in three diameters: 110 mm, 140 mm and 200 mm, and in heights ranging from 300 mm to 3,000 mm, allowing for a perfect fit to space requirements.
