Lever Hoist KITO LX Series

Product information

The KITO LX Series is a range of small lever hoists that is suitable for operations in limited space. The lever hoist has a freewheel safeguard and the bottom hook is riveted in four places. Its solid aluminium housing enables a low weight of the hoist. The load can be lifted or lowered in 2 mm steps due to its smooth gear mechanism
... *Read more*

Material: High impact aluminium housing, nickel-plated load chain in grade 10.
