

## Airline lashing track with flange

## **Product information**

Economical alternative to heavy and medium duty tracks for use in mock-ups, assembly stations or for transport purposes. Airline Tracks for mock-ups are produced from commercial aluminium alloys and can be used with most fittings corresponding to AS33601 or ISO7166.

Material: Raw aluminium

| Part code | Length<br>m | Width | Thickness<br>mm | Weight<br>kg/m | Delivery time |
|-----------|-------------|-------|-----------------|----------------|---------------|
| 33010014F | 2           | 65    | 11              | 0.9            | 12            |
| 33010015F | 3           | 65    | 11              | 0.9            | 2             |
