

## Lashing net for buses

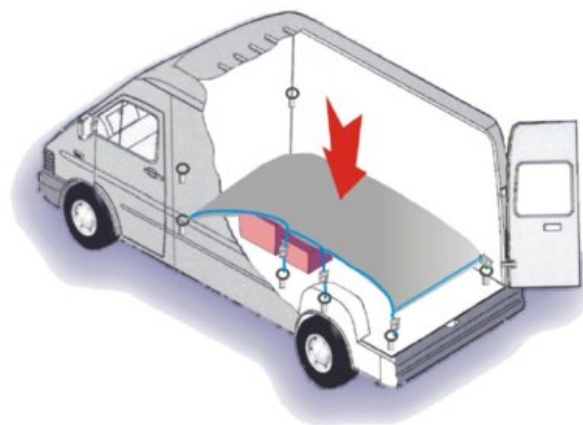

### Product information

**Economical:** The nets eliminate the need for laying rails by utilizing existing fixing points on the vehicle.

**Lightweight:** Made of polyester, the support net is the lightest available solution.

**Material:** Polyester

| Part code | Length<br>m | Width | Weight<br>kg | Delivery time |
|-----------|-------------|-------|--------------|---------------|
| 25070002F | 1.2         | 1,000 | 1.55         | 12            |
| 25070003F | 1.2         | 1,200 | 3.1          | 12            |
