

One-way lashing buckle B3030

Product information

The B3030 one way buckle is intended for use with 32 mm polyester webbing. It provides a reliable and cost-effective solution for securing cargo in one way lashing applications. With a Minimum Breaking Load of 3000 daN and lightweight design (0.22 kg), this buckle is ideal for medium-duty shipments where reusability is not required.

Material: Steel
