Buckle 50mm LC 900 daN

Product information

The 50 mm buckle (LC 900 daN) is a practical and durable component for use with lashing straps in light to medium-duty cargo securing applications. With a Lashing Capacity (LC) of 900 daN, it ensures reliable fastening of goods during transport. Ideal for use in logistics, transport, and vehicle securing systems where quick and safe load restraint is required.
