Fender F41 Single Plug & Play Bawer

Product information

The Bawer Fender F41 Plug & Play is a lightweight polypropylene mudguard designed for single-wheel industrial vehicles. It protects against mud, water and road debris, while its patented design and quick-fit mounting system simplify installation. The high-strength technopolymer construction provides durability in demanding operating conditions.

Best used for:

- Single-wheel industrial vehicles requiring protection against mud, water and debris.
- Applications requiring quick mudguard installation using a Ø36 mm mounting tube.

Product benefits:

- High-strength polypropylene construction provides durability in demanding operating conditions.
- Plug & Play mounting system enables quick installation with a Ø36 mm tube.
- Mudguard arc length 1430 mm
