Adjustable Nylon Tube SIMPLE Bawer

Product information

The Bawer F097002 mounting tube is a nylon component designed for mounting the F48 Curve SIMPLE fender. With a diameter of Ø42 mm and a length of 540 mm, it provides a model-specific mounting solution for compatible fender assemblies.

Best used for:

- Mounting Bawer F48 Curve SIMPLE fenders.
- Replacing mounting tubes on compatible fender assemblies.

Product benefits:

- Designed for the F48 Curve SIMPLE fender for model-specific compatibility.
- Nylon construction provides a lightweight, corrosion-resistant mounting component.
- Ø42 mm diameter and 540 mm length support accurate replacement selection.
- Black finish matches the specified mounting tube configuration.
