Adjustable Nylon Tube Plug & Play Bawer

Product information

The Bawer F098004 mudguard mounting tube is designed for installing Plug & Play fenders. Made from black nylon, it has a diameter of Ø42 mm and a length of 500 mm. Its adjustable design allows positioning during installation to suit compatible fender mounting requirements.

Best used for:

- Installation of compatible Plug & Play fenders.
- Fender mounting applications requiring an adjustable Ø42 mm support tube.

Product benefits:

- Adjustable design allows positioning during installation for a suitable fit.
- Nylon construction provides a lightweight mounting component.
- Ø42 mm diameter and 500 mm length enable dimensional compatibility checks
