

The Original Roundsling Extreema® with HMPE core

Product information

The Original EXTREEMA® round sling was the first product created under the EXTREEMA® brand. With its innovative design and unparalleled performance, the Original quickly gained a reputation as a top-of-the-line product in the market, paving the way for the brand's continued success and growth.

Its core is made of general HMPE (Trosar®), which makes it up to 15 times stronger than steel on a weight-to-weight basis.

The sleeve is white HMPE Extreema® L-series sleeve. With exceptional performance against cuts, abrasions, and punctures. The white sleeve is repairable.
