Magnetic lifting clamps

Product information

The permanent lifting magnet provides a fast and efficient solution for lifting and handling steel plates, pipes, and round steel bars. The hinged shackle helps keep the magnet securely attached to the load in various lifting positions. The rubber-coated handle ensures a comfortable grip, making the magnet an excellent choice for everyday material handling in industrial facilities, machine shops, and warehouses.

Especially suitable for

- Lifting and handling steel plates
- Handling pipes
- Lifting round steel bars
- Material handling in industrial facilities and machine shops

Safety factors

- 100 - 300 kg clamps: **3.5:1**
- 600 - 2,000 kg clamps: **3:1**
